NO. PASTAIL, opposite KLEW ST.,

FIER on extensive practice of upwards
A of twenty Years, continues to secure Patents in the United States; also in Great
British, France and other funding contribution, France and other funding activates, and all
Papers or Decoupling Assignments, and all
Papers or Decoupling Technology, and other funding active and of the Activity of the Ac

pies of the division on Patient famished by remitting the Divid Assignment spreaded at Wishington.

Talis Agency is not only the largest in New England, but through its inventors have advantages for sensing patients, or incertaining the great thirty of inventions, manuposed by if roy inuneasingly superior to my which can be oftened them elsewhere. The test minds below give proof that more is MORE SUS (CESSFUL AT THE PATENT OFFICE than the subscripter and as SUCCESS IS THE BEST PROOF OF ADVANTARES AND ABLITY, he would add that he has abundant reason to before, and cut prove that at no other office of the kind are the charges for professional services so moderate. The faminus practice of the subscriber during twenty years past has embled him to actional the a ast collection—specifications and official decisions relative—atoms. Theses eddes his extensive filtering of parent granted in the United States and Europe reader him able, beyond question, to first superior facilities for obtaining patents.

All necessity of a journey to Washin ton, to procure a patent, and the usual great—clay there, are here saved inventors.

BESTIMONTALS

Daring the time I occupied the office of Commissioner of Patents, R. H. Eddy, E. do.

there, are here saved investors.

TESTIMONIALS

During the time I occupied the office of Commissioner of Patents, R. H. Eddy, E.-q., of Busin did business at the Patent Odice, as Solicitor of proturing Patents. There were few, if any persons exting in that capacity, who had so much backets before the Patent Odice; and there were mone who conducted is with more skill, it but an assected a tregarder, Beldy as one of the best informed uniform soliding Patents Solicitus to the United States, and have no need then in associate incomes that they cannot ploy after more competent and trustworthy, and in one capable of pating their applications in a form to secure for them any entry and favorable consideration at the the Patent Office.

Expect the association of Patents

tion at the the Patent Obace.

EDMUND SURKE.

Late Commissioner of Patents

From the present Commissioner

Access 17th, 1835.—During the time I
have held the onite of Commissioner of Patents.

It. T. EDDy, Esch., of Boston, has been extimestyely engaged in the transaction of busitimestyly engaged in the transaction of busitimestyly engaged to the production of busitimestyly requalitied with the law, and the

This act of ealth blooded and wanton cracky is enough to [st de with influny and to have beeught down the executions of an indigment people up as any administration which has ever existed

It has got up an imaginary war with the Mormons, to afford a pretence for taking the people's money from their Treasury, (pay the bribes they had to give to procure the passage of the Kansas awindie,

It has been more extravagion, and has involved the country more is do be an ha any administration where has be used in Ps entire policy has been violed martionality, and expressely devoted to one section of the country.

Its foreign, has scarcely succeeded better than its domestic policy.

Its ministers abroad have been relicited from other parts of the country, to the most cathre exclusion of that section, while Carties on our commerce, and whose interest are to be most immediately attended by our foreign relations.

The blibusters were fitted our under the tye of the others at the poverament, near in the reaction indicated, with there are rayance. Hollins brought home Walker and his hand, and he has cause to be grateful that the administration have not yet c. blered him for arresting the phanes.

It suggested to the British government the propriety of its African squadron, change ing its field of operations against the stave trade from "the coast" to the vicinity of tio-West Indies, and then tried to get up a quarrel with that government become it thought the British officers were too vigithat in looking after those engaged in the horrid traffic. In this, as in everything else it has undertaken, the administration has failed. Apparent success in its pacific hands results in a final defeat.

It's now liking environme amounts of money with which to discharge the Eability pase is an indispensable duty of the day, ties which in its prodigality it has incorred. The Treasury was full to overflowing when Mr. Buchanan was inaugmented, and now, it is as empty as a country purson's pocket.

What has this administration done to promote the welfare, or the honor of the people of this country? This is a question, to which we must give the often repeated answer of an unwilling witness-"Don't

LOCAL NEWS.

Good Advices

A correspondent of the New York Hotel Directory, a first rate and useful paper, by the way, discourses thus sensibly and truth fully about matters and things connected with this city:

"While the weather is "steaming hot," Avrial, and. Broadway swarms with the melting crowd of prefestions, we are promoveding in the cord horozoogyad sulfing the fragrans tir of this delightful Island, a retreat mosur passed for reduced segiment, by any was-tering place on our tea, near. We do not furrouse this scatters, to tautifize our less, about flath, fortoute neighbors, but we do mean to re-solute the neighbors, but we do mean to reprice those who persist in staying at home through all the last part of the season, becase it is more fashiorable to visit these vatering places later, and then suffer all those inconveniences and deprivations canthese intervaluences and regimear or conservations of the first state of various. Now is the loveliest time to erjoy fiely the advantages of Newyort, and those who love quiet, ple sty of rown, and the fragrance of nose, organ to improve it, before the gay 100.000 filters are made in the conservation. fallies of the season set in.

The cool evening breezes invite to please Or cor, at dreams while our city neighbors are ant dreams while our city neighbors are "P reson, fighting a hongry swarm of musquitoes, and "Harriet Lewis," validly striving to get a catenaphotween the music and the late of the city amonymees.

Mos of the private cottages are occupied, and the hotels are beginning to have company. The arrangements for bathing are complete, and the whole management of things generally, for the comfort of stran-likes generally, for the confort of stran-likes generally, for the confort of stran-likes generally. gers, promises to be superior to any previ-

The great secret of comfort, however, is to come early in the season to cal the sweetest strawberries, cream and years, and get the benefits of sea batting before the sun is so hot as to make the leach intolerable at | Bisozi, mid-day."

A Vew Words of Compsel.

While we would not restrain the outgashings of patrotic feeling in man, woman or child on this day of Preedow's birth, still we feel that a few words of wholesome rour sel to Young America may not be out

First and foremost, show intoxicating drinks; by imbilling them you will only is sen your expansity for true, wholesome orjoyment, and pave the way for headache, and perhaps a night in the lock-up.

By except in the use of fire works and powder, both in regard to your own salery and that of others. Remember that the street is not a proper place for these. Inthe words of a cotemporary, without wishing to interfere with any of the just rights. and trivileges of the future Presidents of the United States, we take the liberty to suggest that throwing thre-works under the feet of spirited horses is not the most judi. clous way of exalting the blessings of our political institutions.

In firing pistols and gans, which we supgreat care should be taken that they are only loaded with powder. They will make quite as much noise, and do much less mis-

By observing these few suggestions, you will not only enhance greatly your own cojoyment, but will not hinder that of your more quietly disposed neighbors.

WET AND DRY .- Saturday was a wet and dry day—a wet day for weather and a dry one for local news. The water ran down our streets, but matters of local inmanuel church in the afternoon. HAZARD & CASWELL'S PURE LIGHT STRAW COLURED COD LIVER OIL.

A PERFECTLY RELIABLE ARTIULE.

As a remedy for consumption, knowlitis, founde debility, asthma, gout, rheuratism, schatter, emptions, neuralgia, infamile wasting, emaciation, xe.—it has no equal. It ought to be used freely as an ele, ent of nutrition in any case where there is decay, however slight, of the constitution. It will restore feeble children to robust health, and is the most valuable matritive agent known.

Thousands have been rescued r in the Grave of the Consumptive,
By its timely and adequate use!
The oil made by us is recommended as the BEST, of foreign or domes is niting, by Progresor A. A. HAYES, of Hoston, and all the Physicians of this city. The Nor York Chemical Gazette, says "We take pleasure in testifying to the superiority of Hazard's Classell's Pure Medicinal Cod Liver Oil over that we usually mret with."

Consumers can depend upon this oil, as strictly pure, and scientifically prepared.

TO THE LADIES—The celebrated br.
Dis particularly requests all ladies who may need a medical or surgical adviser, to call at his rooms, Nn. 21 Endicer's eet, Bostom, which they will find arrayed for their especial account adation.

Dr. Dis naving devoted over 48 years to this particular branch of the treatment of discosis peculiar to females, it is now concreded by all, (both in this country and Europe,) that he excels all the other known practitioners in the safe, speedy and affectional treatment of all fema e complaints.

Dr. Dix's French Renovating or Female Monthly Pills are to be had genuine only at this office.

this office.
These pills are unrivated in efficacy and su

perior virtues in regularing all temate irregu-larities. Their action is specific and certain, producing relief in a very short time. They larities. Their action is species producing relief in a very short time. They are acknowledged to be the hest in use.

The Dr. crutions the public to beware of impositions that are being practised by advertising a sourious article under some spuritous or dictitious name. They are entirely on be miscrable pre-

impositions that are being practised by advertising a sourious article under some sparious vicinities or fecticious name. They are entirely useless, having been not up by miserable pretenders, who are entirely ignorant of the efficient of medicines.

All who are in purent of the genuina article, had better call on the old doctor at his office, where they will be sure of getting the genuine—the only place in Boston where the genuine—the stars, if they with kind and attentive nurses, if they wish, at a re-sonable rate.

This office is strictly private, with special apartments for falles, and is so arranged that it is impossible for patients to come in contact with each other.

Recollect the number—21 Endirott street, N. B. All secrets are most strictly confidencial.

All letters will be promptly answered. Addings D. L. M. September 1.

Attletters will be grouptly answered. Address Dr. L. Dix, 21 Endicott st., Boston. jyl ty d

NONFIDE TIALLY to the afflicted.

NONFIDE.TIALLY to the adlicited.—

) Dr.L. DIX still continues his old establishment, 21 Endicott Street, Boston, where he can be consulted on all private complaints. All persons it any way adlicted may rely on a sure and speedy care being performed.

Dr. Dix has for a number of years paid particular attention to the study and practice of private discases, and so persent has he become acquanted with them, that, without boasting, he will warrant an effectual cure in the shortest passible time, no matter how long standing the case may be.

In offering the result of his long study and practical experience to the afflicted, he is governed by humanity only, or so long have they been descived by miserable quack mostroms, that it is time that some healthy stillfol in coring goarnehow, fleet, strictures, syphi is in all its stages, primary, secondary, teriory, or hereditary seminal weakness, nocturned emissions, general dehibity, impotency, and all diseases of the urmary organs. The ductor solicits a call from all who may be afflicted with any such disease, feeling condent of success, and at a great saxing of time and money to his patients.

The dector can be consulted by letter, and if the diseases accurately described, medicines will be immediately forwarded, carefully concealed.

Please renember the name and No., as Dr. Dix has nothing to do with any other of

concerded.

Please remember the name and No., as Pr. Dix has nothing to do with any other office but 21 Endicott 41.

P. S. The best accommodations will be furnished the sick of both sexes, with kind and attentive nurses, and at a reasonable rate. All letters requiring advice must contain one dollar, or no notice will be taken of them. Address D. L. Dix, 21 Endicott set Boston. them. Boston.

Tally,

MRPHR'S Magnific for July 1838. Contones. From M. from C. A. Johnson

${f BY}$ ${f TELEGRAPH}$

NEWPORT DAILY NEWS. THE ATLANTIC TELEGRAPH.

St. John, N. F., July 2—2 P. M.
The telegraph between this city and the bay of Bull's Arm, at which point the cable is to be (anded, is now in good order. The steamer Porcupine is stationed off the month of the Bay, and will remain there until the Niagara arrives, when she will pilot her in, and assist in landing the cable. The Niagara is momentarily expected

The weather this afternoon is dull, but not unlavorable for the Telegraph fleet.

Sr. Jons, N. F., July 2-10 P. M. There is as yet no appearance of the Niagara at the Bay of Bull's Arm. No far-ther dispatch will be sent to-night unless the should be signaled.

DEATH OF MRS. THURLOW WEED, Mounte, July 2.—This afternoon a fra-cas occurred between Mr. II. Warfield and Mess, s. John a David Reid, brothers, and the firm of J. Reid & Co. Both the Reids were stabled, and the first named being dangerously wounded. Warfield was arrested and committed to prison, bail being refused to him at present. The collision grew out of a lead of ten years' standing.

Dr. Duponco's Golden Pills.

47 There is not a Lady living but what at some period of her life will find Dr. Dupono's Colden Pills, just the medicine she copires. One Lady writes:—She would not be without them, if they cost \$5 instead of \$1. Six advertisement headed "A Cad to the Ladies."

FISH MARKET—The subscriber will con-I time to keep a good supply of all kinds of Live Fish and Lobstens at his new store, No. 201 Thames street. The public are inited to cal, and examine for themselves, je21—3m I. B. HOWLAND.

A Pleasing Appearance is the pret Letter of Recommendation.

Recommendation.

GOD FREY'S

EXTRACT OF ELDER FLOWERS,
FOR SOFIENISG THE SKIN AND IMPROVING
THE COMPLEXISG.

EUGENE DUPUY, 609 Broadway, N. Y.,
Sole Agent for the United States.

THE object of this Circular is to give publicity to the most valuable and efficient licity to the most valuable and efficient the practice of Meditine, for the purpose of removing every unsightly appearance from the skin, and preserving to it to the latest period of life nearly all the firmness and freshness of youth. Extensive experience and minute observation have long satisfied the Proprietor that if applied as directed, it will speedily remove any unsightly appearance, such as Tan, Sun-Burns, Freekles, &c., and quickly care all Pimples, Humors and Emptions which may disfigure the countenance; and will also linpart to the skin the most delightful softens; and delicate clearness; in short, to preserve a pleasing complexion through life, nothing is required but the use of GOPFREY'S EXTRACT OF ELDER FLOWERS,

The sweetest and really the most perfect BEAUTIFIER IN NATURE.

The sweetest and really the most perfect BEAUTIFIER IN NATURE.
This admirable preparation of Elder Flowers is very fragrant as a perfume. Elder Flowers have from the earliest ages been esteemed as a mild and harmless, yet most perfect beautifier of the skin. Tan, Sun-barns, Freckles, Redness, &c., it will speedily and completely remove.
Children—It is singularly heneficial and perfectly increase, even to the vouncest in-

perfectly inoxous, even to the youngest in-fant.

SHAVING.—It is valuable beyond anything,

annihilating every pinnih, and all roughness, rudering the skin soft and firm, preparing it so completely for the razor.

FAMER Lation.—Goldfree's Extract of Elder Plawers will be found beyond all praise, and needs only a trial to be approved.

R. FRANCE & CO., Baltimore, Md.

LOTTERIES.—The Lotteries of Samuel Swan & Co., are chartered by the State of Georgia, and have sworn commission to appointed to superintend their dramings, and cirtify that everything connected with the same is done in a strictly honerable manner.—They ofter to the public a fair opportunity for investment, the interests of parties at a dissiance being as well protected as though they were gresent. The managers would respectfully call attention to the fact that all persons have a legal right to send orders for tirkets to Georgia, as the lotteries of Samuel Swan & Co., are authorized by the Legislature of that State. A lottery will be drawn every Saterday throughout the year, all orders received being filled in the drawing next to take place after the same concess to hand. According to the scheme one citize in every ten must draw a prize. Tickets are \$10; halves, \$5; quarters, \$2.50. No tickets seen unless the maney accuminants the order. The drawings are up a the principle of one number on early ticket, and are so shough that more can fall to understand them. There is no ecanismation of tenders to mistify the buyer. Prizes vary from \$40 to \$60,030; every prize—sing drawing later and the subset of drawing forwardes to all pur chasties.

17 A list of the numbers that are drawn from the wheel with the general and tenders.

and result of graving someway.
